Completed in early 2016 as an architecturally designed, purpose-built facility, Covenant’s Early Learning Centre caters to preschool-aged children (4-5 year olds).

Open 50 weeks per year, the Centre is approved for the Child Care Benefit (CCB) and Child Care Rebate (CCR) for eligible families.

The Preschool program is run by our dedicated Christian staff, and the out-of-school hours care is provided by the Sherpa Kids franchise.

Children enrolled at Covenant’s Early Learning Centre have priority placement for moving on to Kindergarten at Covenant Christian School. Parents are not required to go through the application or interview process again if they wish to confirm ongoing enrolment into the Primary school when they finish the preschool year.

Covenant seeks to prepare preschool students for transition to their Primary education by including them in some broader school activities throughout the year. Preschool students visit the Library, and join the Kindergarten classroom for some combined activities. The Kindergarten students also visit the Early Learning Centre from time to time.

Preschool students also visit the Primary school for class assemblies, participating in the audience and learning how the older students perform at these events.

It is our hope that moving into Kindergarten will be a smooth transition, with new students already feeling comfortable and confident in their environment as they move onto this next phase in their education.
Covenant's Early Learning Centre is an approved child care provider for the purposes of Benefits and Rebates. Please see information below extracted from the Centrelink website.

**Child Care Benefit (CCB)**
The Child Care Benefit helps with costs for approved and registered care such as long, family or occasional day care, outside school hour care, vacation care, pre-school and kindergarten.

**Eligibility basics**
- you use approved or registered child care
- you are responsible for paying the child care fees
- you have immunised your child

In some cases, you may be assessed as being eligible for Child Care Benefit for approved care but not entitled to any Child Care Benefit payments because your income is too high. You may still be eligible for Child Care Rebate as the rebate is not income tested.

**Child Care Rebate (CCR)**
Covers 50% of out of pocket child care expenses for approved child care, up to an annual limit per child, in addition to any other child care assistance.

**Eligibility basics**
- you use a Child Care Benefit approved child care service
- you are eligible for Child Care Benefit for approved care, even if you earn too much to receive payment, and
- you and your partner meet the Work, Training, Study test for Child Care Rebate, or are exempt from it

To receive Child Care Rebate, you need to submit a claim for Child Care Benefit for approved child care. You will automatically be assessed for Child Care Rebate when you are assessed as eligible for Child Care Benefit for approved care.

**Subsidy Rates - FY 2016/2017**
(per hour of care)
- Child Care Benefit (100%): $4.24
- Registered Care: $0.708

The unique feature of Covenant’s preschool curriculum is that it delivers the Early Years Learning Framework (EYLF) with a core Bible curriculum which forms the central trunk from which the various activities stem.

Our staff, all committed Christians, love to share with the children the joy and wonder of God’s world and Word as they lay a solid preparation for the Primary years.
